WELCOME TO THE APEX CLINIC

Your go-to clinic for natural-looking aesthetic results. Whether you're taking your first step into aesthetics or simply exploring your options, this guide is designed for you.

Inside, you'll find everything you need to make informed, confident decisions-from our most popular treatments and transparent pricing to expert aftercare tips that help your results last longer and look their best.

At Apex Clinic, we don't believe in changing how you look-we believe in enhancing your natural beauty. Every treatment is delivered with precision, purpose, and a deep understanding of the science behind balance and aesthetics.

So whether you're just starting out or refining your look, we're here to support you at every stage of your journey.

TREATMENT AFTERCARE

DERMAL FILLER

Expect immediate results. Avoid any heat inducing activities for 24 hours such as exercise, saunas & hot showers. Avoid pressure on the area for 48 hours. Avoid alcohol, aspirin and ibuprofen for 48 hours.
Avoid sunbeds for 5 days.

BOTOX

Expect results after 10-14 days. Don't rub or put pressure on the treatment area for 12 hours. Stay upright (don't lie down) for 4 hours. Avoid physical exertion, alcohol & caffeine for 24 hours. Taking Zinc Supplements can increase Botox longevity by up to 30%.

SKIN BOOSTERS, EXOSOMES & POLYNUCLEOTIDES

Expect results between 10-14 days. 3 sessions are recommended for best results. Avoid any heat inducing activities for 24 hours such as exercise, saunas & hot showers. Avoid pressure on the area for 48 hours. Avoid alcohol, aspirin and ibuprofen for 48 hours. Avoid sunbeds for 5 days.

FAT DISSOLVING

Expect results between 5-7 days. Minimise alcohol consumption & drink plenty of water. Avoid exercise for the first 24 hours. Massage the area post-treatment reactivating the ingredients.

FACIALS

Rinse your skin with water on the evening following your treatment. After this, you may return to your usual skincare routine unless discussed otherwise. Use twice as much moisturiser as you usually would for the next 3 days. For Microneedling specifically, you must stay out of direct sunlight for 5 days. Wear SPF every day for the next 2 weeks.
